

Milo's Project

Creating Meaningful Opportunities. Building Inclusive Communities.

Milo's Project is an initiative of the Stellar Living Foundation that creates meaningful opportunities for individuals with intellectual and developmental disabilities through employment and community partnerships.

Employment Opportunities

We partner with schools, transition programs, disability service organizations, and families to connect individuals with employment opportunities at Stellar Senior Living communities.

To learn more about employment opportunities, contact us at stellarlivingfoundation@gmail.com.

Milo's Pop-Up Shops

Milo's Pop-Up Shops provide a fun and meaningful way for organizations to engage with older adults while creating opportunities for individuals with disabilities to serve their community.

During a pop-up shop, your group visits a Stellar Senior Living community and serves a sweet treat—such as cookies, popcorn, lemonade, ice cream, or hot chocolate—to residents, families, and team members. More than just a treat, these events create meaningful interactions, build confidence, and foster lasting connections.

Pop-Up Shops are a great fit for:

- Schools and transition programs
- Disability service organizations
- Businesses
- Community and volunteer groups
- Church organizations

Interested in hosting a Milo's Pop-Up Shop?

Complete our interest form: <https://forms.gle/yGKQiKzg2sLuUzkf9>

Partner With Us

Whether you're interested in employment opportunities or bringing a Milo's Pop-Up Shop to one of our communities, we'd love to hear from you.
